an exploration of colourful collages influenced by autism and the natural world by award winning environmental artist james owen thomas foreword by monty don james creates bold engaging collages and montages from old lottery scratchcards and other used materials his autism has an influence throughout his creative process from gathering materials to sorting them by colour visual

theme and texture before hole punching tearing or cutting them up for collaging it even affects the subjects he depicts these are primarily peaceful calming woodland settings and animals but also branch out into architecture portraiture and the surreal this beautifully illustrated examination of his work shows how his art and love for nature have helped him cope with autism from an early age going on to explain the inspiration behind many of his pieces and the various techniques he uses an emotive biographical section describes the many challenges of his autism and how he has worked through them and with them to become a successful artist and environmental campaigner

the author has given a message through poems in my nature my world brought out the ongoing struggles with life and times the ongoing war against the climate change due to activities of man especially scientific inventions in his effort to lead a comfortable life the man the keeper brings to fore the struggles of an anaesthesiologist dealing with patients and activities in the operation rooms waging grim struggle for the survival of all in his daily dealings while at work himalayan tsunami brings out systemic problems in those carrying out activities without aforethought that resulted in the death of budding engineers from hyderabad on their visit to kulu swept away by sudden flowing of water in river beas let out of the dam it depicts highly imaginative ability of the author of recapitulating the event in details reported in news daily climate sensitive readers will find themselves sailing along the poems and the impact of the modern man s over indulgent way of living he gives a clear call to think about sustainable living and making the world a better place

it s just my nature by george zoebl it s just my nature george zoebl it s just my nature tells the romantic story of martha a sixty six year old retired professor who is dying of cancer in hospice care and joel a jaded questioning clergyman who is unceremoniously ushered in to provide pastoral care martha he finds possesses some unique knowledge in communicative diseases that the government desperately wants to get before she dies interspersed with the first person accounts by both joel and martha is the narrative of a certain village in south sudan that has been brutalized by an alfa raid one of the young women farris designs an unconventional plan to escape from her captives and save two younger children in a life or death race across the desert with her tormenters in close pursuit it s just my nature is an intriguing web of connected stories that blends romance adventure theology and geo politics within an engaging and thought provoking novel
